

Mountain Khakis Midlayers Inspired by Jackson Hole People, Places

JACKSON HOLE, WY (January 25, 2018) – [Mountain Khakis®](#), the leading mountain town-inspired lifestyle apparel brand for men and women, looked deep into its Jackson Hole roots for inspiration when designing the prints and styles in the expanded line of mid layer technical pieces.

The *Poker Flats Fleece* is responsibly sourced using recycled polyester, and features a colorful Teton-inspired geometric pattern named after Poker Flats, a small inholding located in the southern reaches of Teton National Park. Recycled poly fleece saves approximately 25 plastic bottles per pullover from the landfill. Meaningful details like an extended 9.5” zipper for easy on/off, protective windflap, low-profile performance thumb loops and Raglan sleeves for no-chafe under backpack straps will make this an instant classic. Sits at low hip. Classic fit. MRSP: \$84.95.
